*We extend our sincere sympathy to pat Stanko and family at the death of her mother, Hazel Swan; and to Mike Hasty and family at the sudden death of his son, Tim. We pray for God's care and comfort during these times.*

From **Eunice McCario:** *I wanted to let you know how much I appreciate your prayers during my recent hospital stay. I know that your prayers are what served to make me well so quickly. I am now back at Heartland and feeling much better. Thank you all very much, and thank you to Dr. Bernard for all his special care and concern.*

From **Margaret and Paul Wright:** *There are no words to express our gratitude for all you have done. Your prayers, cards, visits, food...most of all you love, have helped us get through this traumatic time. Things are going well at home and we hope to be back in church soon. May God richly bless you all.*

From **Blake Stephenson:** *I would like to first and foremost thank you for the generous scholarship that you have given me. The scholarship has proven to be extremely beneficial in my college career thus far. Regrettably, I was not able to attend the service in which the scholarships were given and I apologize for that. But something that I would like to thank you for is the experience and love the First Christian Church has given me. Coming home from school is not an easy task, in fact I am still readjusting to life in Canton, IL, as compared to my school life in, ironically, Canton, MO. But I know that when I come home I will always have two families to support and love me in any way I need. There is my nuclear family and there is my church family. Having this extra family is so helpful and just makes life easier. I really can't thank you enough for it.*

From **Taylor Soland:** *Thank you so much for the 2009 fall scholarship. It will help me out a lot at school. I will be using it to help with my living expenses. It is always a nice start to the year. I appreciate all the support you have given me over the years. You will forever be in my heart.*

From **Amy Harmon:** *I want to thank the congregation and Scholarship Committee for yet another generous gift in the form of the Fall, 2009 scholarship. I will use it to help purchase my books for the semester. Your support in so many ways has made getting an education so much easier. I am excited about my senior year and especially about assisting in a 4th grade class this fall! Thank you very much!*

# PASTOR'S PONDERINGS

## GET ON YOUR MARKS, GET SET, .....

Well we have had the summer to regroup and relax. Now comes the time to step up and take on some of the things for the coming year. Of course the major project for this coming year is completing the Interim projects and then having the search committee find a new long-term minister. But first we have to determine where we are and then vision where we want to go in the future, [next five years, ?] so that the leader who will get you there can be found.

Various committees are taking on different projects:

Property has referred to finance some deferred maintenance projects:

Parking Lot, Office remodel, Sound system update, Redoing the walls in the fellowship hall. They are looking at doing these things during this fall and winter.

Education is studying and putting in place some interesting things, new Sunday School classes, and also new materials and ways of studying in other classes.

Membership is ongoing with more monthly programs to gather all of us for fellowship.

Outreach is in the process of allocating the second half of the support to various organizations.

Evangelism is starting to put together things for their new work and approach to attracting those outside of the congregation to our programs and events.

Personnel will be renewing their searches for a Nursery Supervisor and a Youth Director.

Chancel Choir will be having their first rehearsal of the new year on September 2, at 7:00 p.m..

Youth groups and choirs start on Wednesday, September 9<sup>th</sup>.

Just a few of the things that will be getting off the mark over the next couple of months. If you would care to help, contact the church and we will refer you to the committee chair.

PASTOR BOB

P.S. Don't forget to pray for all of these activities and the minister that God is preparing for here.
